

BENSON &amp; HEDGES (CANADA) INC.

Distribution

DATE: November 29 1983

COPIES:

DE. FROM: C. von Maerestetten

SUBJECT/SUBJECT: Additives

I am enclosing a copy of the final letter from the industry to the Department of Health & Welfare regarding our position on additives. While the letter was not totally satisfactory to us (the references to soft drinks and food were, we believe, ill advised), at least at long last a response has gone. There has been no reaction from the government, to date.

Cordially,

*Cynthia von Maerestetten*
